Grower update – 21 October 2013

This update relates to Great Southern Plantations Schemes 1998 to 2006 (GSP Schemes)

Insurance update

1. Grower Woodlot insurance

Further to our insurance update on 25 September 2013, we understand a number of Growers have contacted various insurance providers in an attempt to independently secure insurance.

In light of the above, we have been in discussions with relevant insurance providers to understand how they can assist Growers obtain insurance.

These discussions are on-going. Should relevant insurance providers be in a position to provide insurance to Growers, we will update all Growers accordingly.

As advised previously, Growers are responsible for maintaining insurance over their trees. The GPL Liquidators are not responsible for any losses arising as a result of the trees not being insured.

2. Further questions?

If you have any further questions please address them to the following contacts:
