

Dear Growers

Taxation compliance

As previously advised we have been seeking determination from the ATO on the taxation treatment of scheme funds realised.

We expected to receive a class ruling from the ATO in relation to the GST treatment by 30 June 2016.

The ATO has advised that they now expect to issue the class ruling during **the second half of July 2016**.

Please note distributions will commence on a scheme by scheme basis after we have:

- received formal guidance from the ATO
- been able to assess the impact this advice will have on the distributable amounts and process.
