

Dear Growers

Taxation compliance - GST

As referred to in our July 2016 update, we have been seeking an ATO determination in relation to the taxation treatment for GST of scheme funds realised.

Late last week, the ATO informed us that they are aiming to publish the final GST class ruling on **15 September 2016**.

We have reviewed a draft copy of the ruling with our tax advisors PwC, and have confirmed that it is in order to be finalised.

Distributions will commence on a scheme by scheme basis shortly after the final ruling has been published.

On receipt of the final ruling, we will place a distribution schedule on our website www.ppbadvisory.com/creditor-information/v/426/gunns-plantations-limited-grower-updates. This list will be updated on a weekly basis and outline the distribution status of each individual scheme.
